

Bug Spray Information

At CCC, it is a priority to get the children outside both in the morning and afternoon. In Wisconsin, we know there will be mosquitos and other bugs flying around while we are outside. CCC does not supply bug spray for the children, but families are welcome to bring in their own bug spray for the teachers to apply. If you would like to bring in your own bug spray, please make sure it is labeled with your child's name and complete the form below.

I give permission for my child _____ to have the following bug spray applied at CCC by his/her teacher.
